Dimensions: 17.0 in x 6.25 in x 6.25 in

Inventory #: 5136

Price: **\$2,900.00**

Product Description

These Swedish Designer table lamps, crafted from teak wood and made in Sweden during the 1960s, come with two sockets and are sold without lampshades. The lamp itself measures 17" in height and has a diameter of 6.25", while the accompanying shade has a top diameter of 9", a bottom diameter of 12", and a height of 9". When the shade is attached, the lamp's total height is 21.75" with an overall diameter of 12". All lighting will be converted for US usage and the bulb specifications are E-26. Please note that we are unable to confirm if any electrical item in our facility meets UL-Listing standards.
